

Congratulation for six Members of Our Editorial Board were Selected as Academicians of Chinese Academy of Sciences and Academician of Chinese Academy of Engineering in 2017

Prof. Jingsui YANG, Hongfu ZHANG, Jingwen MAO, Minhan DAI, Ming'an SHAO and Yigang XU, the members of the editorial board for *Acta Geologica Sinica* (English Edition), were selected as Academicians of Chinese Academy of Sciences and Academician of Chinese Academy of Engineering in 2017.

Jingsui YANG (Academicians of Chinese Academy of Sciences)

Jingsui YANG is the associate Editors-in-Chief of *Acta Geologica Sinica* (English Edition). He is a Professor at the Institute of Geology, Chinese Academy of Geological Sciences, Beijing, China. He has been working on ophiolites for many years, particularly on high-pressure minerals in mantle rocks as well as ultra-high pressure metamorphic rocks in subduction zones on the Tibetan plateau and other orogenic belts. He is also a Fellow of Mineralogical Society of America and a Fellow of Geological Society of America.

Hongfu ZHANG (Academician of Chinese Academy of Sciences)

Hongfu ZHANG is the associate Editors-in-Chief of *Acta Geologica Sinica* (English Edition). He is a Research Fellow of Institute of Geology and Geophysics, Chinese Academy of Sciences and Department of Geology, Northwest University, China. Over the years he has been engaged in the study of lower crust and lithospheric mantle evolution of the North China Craton and non-traditional stable isotopes (Li, Fe, Mg). His research includes basalts and mafic intrusive rocks, mantle peridotite and pyroxenite xenoliths, and lower crustal granulite xenoliths.

Jingwen MAO (Academician of Chinese Academy of Engineering)

Jingwen MAO is the associate Editors-in-Chief of *Acta Geologica Sinica* (English Edition). He is a Professor of Institute of Mineral Resources, China Academy of Geological Sciences, and adjunct Professor of China University of Geosciences (both Beijing and Wuhan), Central South University, Chang'an University and Nanjing University. His research interests are geology and geochemistry of ore deposits, and regional metallogeny.

Minhan DAI (Academician of Chinese Academy of Sciences)

Minhan DAI, male, born in 1965. He is the member of the Editorial Board of *Acta Geologica Sinica* (English Edition). He is now a professor of Xiamen University, China. E-mail: mdai@xmu.edu.cn

Ming'an SHAO (Academician of Chinese Academy of Sciences)

Ming'an SHAO, male, born in 1956. He is the member of the Editorial Board of *Acta Geologica Sinica* (English Edition). He is now a professor of Institute of Soil and Water Conservation, CAS&MWR, China. E-mail: mashao@ms.iswc.ac.cn

Yigang XU (Academician of Chinese Academy of Sciences)

Yigang XU, male, born in 1966. He is the member of the Editorial Board of *Acta Geologica Sinica* (English Edition). He is now a professor of Guangzhou Institute of Geochemistry, Chinese Academy of Sciences, China. E-mail: yigangxu@gig.ac.cn
