

## **Retraction Statement: A New Species of Mongolarachnidae from the Yixian Formation of Western Liaoning, China**

The following article from *Acta Geologica Sinica-English Edition*, published online on 27 February 2019 in Wiley Online Library (<http://wileyonlinelibrary.com>), has been retracted by agreement between the authors, the Journal Editor-in-Chief, Zengqian Hou and John Wiley & Sons Australia, Ltd. The retraction has been agreed because the research finding of the article cannot be validated using another methodology, and the conclusion drawn is unreliable.
